Dear Philippe,

Barbara Rae-Venter has asked me to get your signature on the "Combined Inventor Declaration and Power of Attorney" form for the U.S. MAP-AB patent application. Apparently the US Patent and Trademark Office needs the signed form in hand before they will review our response to their examination of the application. Michelle will send the form to you in Corsica (let us know if we should send it somewhere else). Please sign and return the form to her as soon as possible.
